VIRTUAL MASKS *for AID*

SUNDAY, MAY 15, 2022

THE EVENT

HNC Living Foundation's premier fundraising event, MASKS for AID, continues to connect patrons to stunning visual, culinary, and performing arts to raise funds to support those living with a head and neck cancer diagnosis.

Without interruption to our mission and the light it provides for so many, the eighth annual HNC Living Foundation MASKS for AID will be hosted virtually. Patrons can expect inspiring patient stories, an inside look at the transformation of a patient's radiation mask by celebrated artist Suze Ford, and delivered fine food and beverage they have come to expect from this prestigious event.

WHAT OUR GENEROUS SUPPORTERS HAVE ACCOMPLISHED

- Changed the lives of more than 3,000 people affected by head and neck cancer.
- Invested over \$1.8 million dollars in direct support for patient care.
- Helped head and neck cancer patients receive critical, life-saving care in 45 states.
- Provided over \$800,000 to head and neck cancer patients for critical dental services that allow them to chew, swallow, eat, return to work and smile again.
